December 5, 2003 – Introduced by Representatives Berceau, Wasserman, Turner and Boyle, cosponsored by Senator Robson. Referred to Committee on Insurance.

AN ACT to repeal 628.36 (2m) (e) 4.; to renumber 628.36 (2m) (a) 1., 628.36 (2m) (a) 2. and 628.36 (2m) (a) 3.; to renumber and amend 628.36 (1); to consolidate, renumber and amend 628.36 (2m) (a) (intro.) and 2m.; to amend 609.22 (2), 609.32 (2) (a), 628.36 (2) (a) (intro.), 628.36 (2) (b) 3., 628.36 (2) (b) 4., 628.36 (2m) (e) 1., 628.36 (2m) (e) 2., 628.36 (2m) (e) 3. and 628.36 (3); to repeal and recreate 628.36 (2m) (title); and to create 628.36 (1c) (intro.) and 628.36 (2) (b) 4m. of the statutes; relating to: allowing any provider to participate in a health care plan under the terms of the plan, requiring an annual period for providers to elect to participate in health care plans, and requiring notice to a provider of the reason for exclusion from a health care plan.

Analysis by the Legislative Reference Bureau

Under current law, a health care plan must allow any provider to participate in the plan under the terms of the plan. However, this requirement does not apply to health maintenance organizations, limited service health organizations, or preferred provider plans, each of which is a health care plan that requires, or provides incentives for, its enrollees to obtain health care services from providers

participating in the plan. "Participating" is defined as being under contract to provide health care services, items, or supplies to plan enrollees.

This bill requires any health care plan, including a health maintenance organization, limited service health organization, or preferred provider plan, to allow any provider to participate in the plan under the terms of the plan. The requirement only applies to a health maintenance organization, limited service health organization, or preferred provider plan, however, if the provider is located in the geographic service area of the plan. The bill also requires a health care plan that excludes a provider from participation in the plan to give the provider written notice of the reason for the exclusion.

Also under current law, a health maintenance organization, limited service health organization, or preferred provider plan that covers pharmaceutical services provided by one or more pharmacists who are not full–time salaried employees or partners of the organization or plan must provide an annual 30–day period during which any pharmacist may elect to participate in the organization or plan under its terms as a selected provider for at least one year. This bill expands that requirement. Under the bill, a health maintenance organization, limited service health organization, or preferred provider plan that covers health care services that are provided by one or more health care professionals who are not full–time salaried employees or partners of the organization or plan is required to provide an annual 30–day period during which any health care professional who provides those health care services and who is located in the geographic service area of the organization or plan may elect to participate in the organization or plan under its terms as a selected provider for at least one year.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 609.22 (2) of the statutes is amended to read:

609.22 (2) ADEQUATE CHOICE. A defined network plan that is not a preferred provider plan shall ensure that, with respect to covered benefits, each enrollee has adequate choice among participating providers and that the providers are, to the extent consistent with s. 628.36 (2) (b) 3. and (2m), accessible and qualified.
